

POSITION VACANT

Field Infrastructure Officer

ComfortDelGro Corporation Australia is the largest private bus operator in NSW. Our subsidiaries, Qcity, Hillsbus, Hunter Valley Buses and Blue Mountains Transit, provide passenger transport services to Queanbeyan and Canberra, Sydney's North West, Hunter Valley and Blue Mountains regions. We are part of an international company with an impressive global footprint and a reputation for providing a safe and reliable public transport network that meets customer and community needs.

The Role:

We are seeking a Field Infrastructure Officer to prepare, install, clean and maintain bus stop signs, route pointers, bus stop displays, customer notices and associated items. Reporting to the Service Development Manager, the role requires you to apply your knowledge and skills in assisting to fulfil the standards and requirements of the company and our operating contracts.

Key Responsibilities:

- Install new bus stop signs as approved by council/RMS, repair/replace existing signs and clean bus stop signs and timetable cabinets.
- Remove, dig and install/concrete-in bus stop poles.
- Climb ladders to install/repair/replace bus stop signage and route markers.
- Laminate, cut, trim and install service change bulletins and bus stop timetable displays.
- GPS bus stop locations for inputs to a scheduling team.
- Assist in investigations relating to infrastructure complaints.
- Undertake stock take of inventory, notify the Planning and Infrastructure Officer of additional materials required and liaise with and obtain quotes for materials from suppliers.
- Wash and fuel the work vehicle.

Skills, attributes and experience which are essential to succeed in this role:

- Must be able to drive a manual car, C class licence.
- Bus driving experience is advantageous, but not required.
- Physically fit, climbing ladders, digging holes with shovels, lifting weights up to 20 kg, work with arms extended above shoulder height, work while squatting, gripping equipment and tools.

- Must be able to work outdoors through winter and summer, in changing temperatures, weather and seasons.
- Personal responsibility and accountability with organisational skills and the ability to meet deadlines.
- Ability to work with minimum supervision in a changing, fast paced and challenging environment.
- A pragmatic, professional and energetic approach to 'getting things done' with a high level of independence and autonomy.

The role represents an opportunity to become a fundamental member of ComfortDelGro Corporation's Service Development Team.
